A screenshot of a 'Data Backup Address' dialog box. The dialog has a title bar with a close button. Below the title bar, there is a text prompt: 'Choose a Disk to Backup Data(Removable Storage Device Would be Better)'. A dropdown menu is open, showing 'C:/'. Below the dropdown, the text 'Backup Path: C:/IC Card System Data Backup' is displayed. At the bottom of the dialog, there are two buttons: 'Recover' and 'Backup'.
